Lip Smackin Foods, LLC Apex, NC 27523

All our meats are cooked low & slow with hickory logs on the premises. This process results in the "smoke ring," a pink ring around the meat with a pinkish tint throughout. This is a normal characteristic in this type of cooking. Pork bbq & brisket smoked 12 hours \* chicken, turkey & hams smoked 3 hours \* St Louis ribs smoked 6 hours

### How it works

- pick your package
- choose 2 entrees & 2 fixins'
- select service
